

Call it Home

“John draws the universal from the personal and everyone in the audience reflects on their own ‘home’ as the songs, stories and exquisite images flow over you. **Make a plan to see it!**”

Bill Usher, Kicking Horse Culture, Golden, BC

A musically dramatic multimedia journey that re-ignites glowing memories of summer vacations, explores the pains of growing up and sheds light on the realities of adulthood with its realization that we are all part of a bigger ebb and flow. The songs tell of youth, the passage of time and the vibrancy of life on Hornby Island which John McLachlan now calls home.

From a poignant memory of his dad’s 8mm home movies to a story about the first car ferry and its captain, this concert is part nostalgia, part history and part present day. Images and movie clips weave throughout, adding a richness and authenticity recognizable to every childhood summer holiday spent on islands, lakes or countryside. *Call It Home* traces a personal yet universal journey of appeal to all ages.

“This is truly a ‘feel good’ show!”

Neville Hope, Fanny Bay Hall Assn, Fanny Bay, BC
